VENDOR INFORMATION

Entry & Exit Routes (see map)

- All vendors must enter the festival area from the east end of Main Street, via Road Street, unless you are a food vendor arriving after 8:30 AM (see “Food Vendor Late Arrivals” below). All other entry points, including the intersection of Broad Street and US Highway 64, will be blocked.
- You can remove vehicles from the festival area via Broad Street or Water Street ONLY.
- Food vendors serving from trailers or vehicles should note that odd numbered spaces are on the east (courthouse) side of Broad Street and even numbered spaces are on the west side. Depending on which side you serve from, and which side of the street your booth space is on, you may have to go down to the south end of Board Street and turn around.

Set Up

- All of your supplies and equipment MUST fit within the space (10'x10' or 12'x12") or spaces you reserved/purchased.
 - If a trailer is used, this includes the **total set-up size** of trailer including tongue, tires, ramp, any open doors, etc.
 - On the day of the festival, **if your trailer or other equipment requires more space than you reserved, you will be required to pay for the number of additional spaces necessary at the “After September 30, 2024” rate before you will be allowed to set up and participate in the festival as a vendor**; and you will likely have to be moved to wherever adequate space is available.
 - If setting up a trailer, you are encouraged to arrive early; you must be able to maneuver the trailer into your space on your own – even if other vendors are already set up on either side of your space(s).
- Vendors with cooking equipment must have a fire extinguisher.
- Food vendor health inspections should be coordinated with Health Department; see the information below from <https://mtwdistricthealth.org/environmental-health/>
- Vendors must bring their own tables, chairs, etc. The festival does NOT provide electricity, water, sewer, etc.
- Vendor setup is between 5:00 AM and 9:00 AM. **All vehicles, except those set up for sales within a vendor's booth space(s), must be out of the festival area NO LATER THAN 9:00 AM** (foot traffic on the streets usually begins to build up at that time and the parade along Main Street starts at 10:00 AM). **No vehicles will be permitted to enter the festival area after 8:30 AM** with the possible exception of the extreme southern end Broad Street (see *Food Vendor Late Arrivals* information below).
- **Food Vendor Late Arrivals.** Food vendors that arrive after 8:30 AM **MIGHT** be allowed to set up in the southern end of Broad Street (near US Highway 64) **IF** adequate space is available. **WE CANNOT GUARENTEE YOU WILL BE ALLOWED TO SET UP IF YOU ARRIVE AFTER 8:30 AM.**
 - If allowed, late food vendor arrival entry will only be possible from US Highway 64. You **MUST** receive approval & space assignment from event staff working the food vendor area **PRIOR** to setting up if arriving after 8:30 AM.
 - If you are a food vendor and you cannot arrive by 8:30 AM, call Howard Phillips at 252-796-7842 and tell me when you expect to arrive. The longer your arrival time is past 8:30, the less likely we will be able to accommodate you. If your **actual** arrival time is past 9:30, entry will almost certainly be denied. If we allow entry after 8:30, you will be assigned a space on the south end of Broad Street (probably well away from the other vendors) and you must remove any vehicles not within your booth space from Broad Street by 10:00 AM (when the parade starts).
 - Law Enforcement Officers at the barricade (on Broad Street at the intersection with US Highway 64) will not allow you to enter without advanced notification from me or other event staff. You also need to understand that after 9:00 AM (and often even before then) there will be festival attendees walking all over Broad Street and you will have to be extremely careful operating your vehicle to avoid injuring anyone.

Take Down

- Unless a vendor has paid to remain after 5:00 PM, all vendor materials and equipment must be removed from the festival area by that time.

Parking

- Following set up, vendors must find legal parking spaces for their vehicle(s) outside of the festival area.
- Parking is easier to find the earlier you arrive and complete set up.
- The DOT Rest Area overflow parking area, across US Highway 64 from the event area, is a good place to check.
- Some parking along town streets outside of the festival area is usually available.
 - Be advised that the parade route includes Bridge Street. Most of the streets in Columbia are narrow, including Bridge Street. There are usually many large vehicles in the parade that must be able to get down Bridge Street - so to keep your vehicle safe, you may want to avoid parking on Bridge Street.

Information for organizers and vendors at fairs, carnivals, public exhibitions or similar gatherings

In order to sell food at a festival in North Carolina you may need a temporary food establishment permit. Temporary Food Establishment (TFE) permits are issued to food and drink vendors that operate in conjunction with a fair, festival or other special event. For example, the Scuppernon River Festival, Peanut Festival, Bear Festival and Carolina Country Stampede are events that would qualify for a TFE permit. Examples of events that do not qualify for a TFE permit include yard sales, auctions, farmers markets and flea markets. A TFE permit is good only for a specific event and expires at the end of the event.

Each vendor must submit a completed application along with a *\$75.00 permit fee to MTW District Health Department* prior to the scheduled event.

Exemptions and Exceptions

Some vendors of TFE's may be exempt from the regulations requiring a permit to prepare and sell food to the public. The vendors who meet one of the following conditions will not be required to obtain a permit to operate their TFE.

GS130A-250(7) Exemption:

1. Incorporated as a nonprofit corporation in accordance with Chapter 55A of the North Carolina General Statutes or
2. Exempt from federal income tax under the Internal Revenue Service Code as defined in General Statute 105-228.90 (have 501(c) (3) status) or
3. A political committee as defined in General Statute 163-278.6 (14),

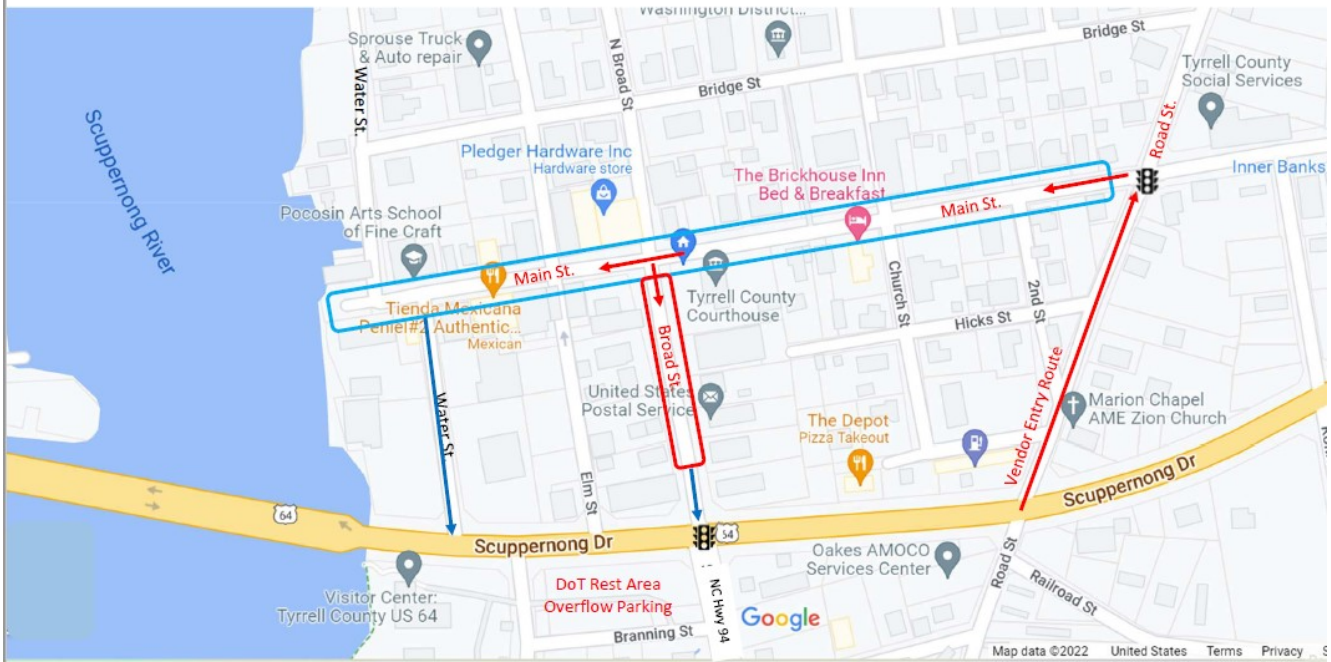

then you may prepare and sell food to the public one time a month for no more than two days in a row without a permit from MTW Health Department.

You must provide proof of the organization's tax-exempt status such as a copy of the Letter of Determination of Non Profit Status from the North Carolina Department of Revenue or the Internal Revenue Service, or a letter from the candidate or political action committee authorizing you to have the event. **You must keep a copy of this documentation on site to show a MTW Health Inspector should they visit your event.**

Drink vendors who only sell drinks such as lemonade, coffee, soda and tea (in single-service cups) do not need an operational permit from this department.

Vendors who sell only dipped ice cream, popcorn, candied apples cotton candy, funnel cakes, doughnuts, peanuts and commercially prepackaged chips and candy are not required to obtain an operational permit from this Department. However, you may contact the Department of Agriculture at 919-733-7366 to find out if you need a permit from them.
