

TYRRELL COUNTY SOLID WASTE AND RECYCLING

Tyrrell County requires all curbside customers to use a Republic Services roll out container for trash and recycling. If you need a trash or recycling cart, please contact the Tyrrell County Tax Office to request one at 252-796-4964. On Thanksgiving, Christmas and New Years Day, services will be held off until the next scheduled collection date.

TRASH

Trash collection is once a week. Trash must be placed in the cart for pickup. Routine overage by a customer may require the customer to obtain additional containers resulting in additional solid waste fees.

Mondays:	Town of Columbia
Tuesdays:	West Side of Tyrrell County
Wednesdays:	Gum Neck area
Thursdays:	Soundside area

The Town of Columbia provides yard waste pick-up from Town residents at the curb.
