Tyrrell County Water System

is accepting applications until the position is filled, for the **Full Time** position of:

Utility Systems Operator

An employee in this class performs operational, construction and maintenance duties designed to operate water production and distribution and sewer collection systems. Work includes monitoring daily operations of systems; starting and stopping pumps and plants; operation of heavy equipment; maintenance and repair of water and sewer lines; maintenance and repair of lift stations and pumps; well operation and maintenance; installation of new lines, meters and hydrants; meter reading; and related activities. Must be able to physically perform the basic life operational functions of climbing, balancing, stooping, kneeling, crouching, reaching, walking, pushing, pulling, lifting, grasping, and hearing. Must be able to perform medium work exerting up to 100 pounds of force occasionally; and/or up to 50 pounds of force frequently; and/or up to 20 pounds of force constantly to move objects. Graduation from high school and some experience in the operation and maintenance of a wastewater collection and/or well water production and/or distribution system; or an equivalent combination of education and experience. Employee must possess or be able to obtain grade I collection system operator certificate, well operator grade C, and/or grade C distribution system certification within six months; additional certifications may be required. Valid NC driver's license required, CDL preferred. Comprehensive benefit package. Salary range \$28,512 - \$42,768. Application available at www.tyrrellcounty.org or Tyrrell County Personnel Office. Submit applications in hard copy format to Personnel Office at PO Box 449, Columbia NC 27925 or 108 South Water Street, Columbia NC. Equal opportunity Employer.
